# Guidelines for Passport Application:

## General:

1. Your passport is a valuable document. It should always be kept either in your own custody or in the custody of a person duly authorized by you. If lost or destroyed, the fact and circumstances should be immediately reported to the local police and the nearest Indian Mission. Passports should not be sent across international borders in mail.
2. The maximum life of an Indian international passport is ten (10) years and cannot be renewed beyond that. After ten years a fresh passport needs to be issued. Kindly fill up the application form accordingly. Please ensure you obtain a fresh passport a few months before it expires.
3. Your passport must not be altered or mutilated in anyway nor any endorsement made on it by any person other than a duly authorized official of the Government of India.
4. Applicants are advised to send their applications, passports, and fees etc.- by Certified or Registered mail only. Embassy/Consulate is not responsible for loss of passport in the mail. It is advisable to retain a photocopy of pages containing your personal particulars in the passport, as this facilitates issuance of a duplicate passport in cases of loss or theft of passport.
5. A child's name is no longer endorsed in the passport of the parents. Each child should have a separate passport. **However, an affidavit has to be submitted by the applicant.**
